

inLoan.com offers you **TWO** incredible choices when it comes to tapping into your home's equity: A Revolving Line of Credit, or a fixed Loan. Review the rate charts below to find out what your rate would be. Shop and Compare! **NO ONE** beats inLoan's rates!

Program Notes:

- * CLTV = "Combined Loan-To-Value" or the total amount, as a percentage of your home's value, you intend to borrow, considering any existing loans not to be paid off, and one of our new inLoan Equity loans.
- * Owner-Occupied homes can have up to 100% of their value borrowed!
- * 2nd-Home properties can have up to 95% of their value borrowed!
- * Investor properties can have up to 90% of their value borrowed!
- * Got a Condominium? -Not a problem! We have **NO** qualifications of any kind for condos!
- * Can't verify income? -Not a problem! If you've got great credit (FICO => 680), we'll lend you the money with **NO** add-on to your interest rate!
